Mr. Kurt Flascher  
P.O.B. 300459  
Brooklyn, New York 11230

Dear Mr. Flascher:

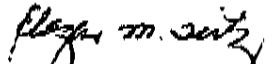

I regret to inform that your actions and inaction leave the Beth Din with no choice but to declare you once again a **מסרב לדין**.

Originally, you were sent two hazmonos, to which your response was to approach another Beth Din, without informing them that a Beth Din process had already begun against you. When you were informed that this was improper, a third hazmono was sent, requesting that you either agree to a date for a din Torah, or that you inform this Beth Din of your choice of a borer for a **דבלי"א** proceeding.

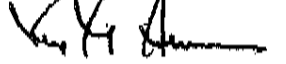

Your response was to ignore the Beth Din. You were therefore declared a **מסרב** fourteen months ago, but were given the opportunity to remove this stigma by choosing a **בורר**, which you did.

However, you have since refused to appear before the Beth Din of **דבלי"א** despite repeated summonses. Accordingly, and until you appear before that Beth Din, you are hereby declared a **מסרב**, with all the consequences attendant thereto.

Regretfully,

  
Rabbi Elazar M. Teitz

  
Rabbi Peretz Steinberg

  
Rabbi Kenneth Auman
