### About ORA

The Organization for the Resolution of Agunot (ORA) seeks to eliminate abuse from the Jewish divorce process. ORA works within the parameters of Jewish law and civil law to advocate for the timely and unconditional issuance of a *get*. ORA believes that the protracted refusal to issue or receive a *get* is a form of domestic abuse which must never be tolerated. ORA seeks to foster a Jewish community in which a *get* is never used as a weapon. ORA pursues its mission through *agunah* case advocacy, early intervention programs, and educational initiatives for *agunah* prevention.
