Dear Members of the Chicago Jewish Community,

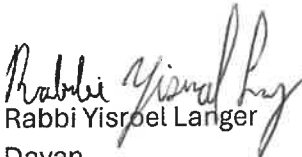

The Chicago Rabbinical Council Beth Din fully endorses the Shtar Seruv (attached) against Rabbi Shachar Luz, issued by the Beth Din of America.

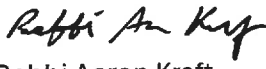

Therefore, until such time that Rabbi Shachar Luz complies with the Seruv from the BDA, there should be maximum restrictions placed on him within the Jewish community at large consistent with harchakos d'Rabbeinu Tam. No shul should have Rabbi Shachar Luz attend their minyanim, he should not be invited for Shabbos or Chagim meals, and no one should be doing any type of business with him etc. The fact that Rabbi Shachar Luz has not yet complied with the Seruv from the BDA should be taken very seriously by the Rabbanim and Community members. Again, the cRc fully endorses the Seruv and urges Rabbi Shachar Luz to comply.

Signed:

Rabbi Yona Reiss
